January 1—December 31, 1972

(COPYRIGHT)

This is the ANNUAL INDEX of AFRICAN RECORDER covering the period January 1 to December 31, 1972 (issues Nos. 1 to 26 of Vol. XI). It incorporates the HALF-YEARLY INDEX issued to you earlier covering the period January 1 to June 30, 1972.

As soon as you receive this ANNUAL INDEX, please discard the HALF-YEARLY INDEX from the file and insert this at the end of the Volume.

West Asia developments are dealt with under Egypt under two headings—Defence and Foreign Relations—as well as under ISRAEL, USA and USSR. The Army "coup" which deposed President Busia comes under GHANA—Politics & Govt. The Salisbury Agreement reached between Rhodesia and Britain and the subsequent appointment of the Pearce Commission is entered under Rhodesia—Politics & Govt. and Foreign Relations—as well as under Great Britain. Pearce Commission report is given under the alphabet P, Rhodesia and Britain. Merger of Egypt and Libya are dealt with under Egypt and Libya. President V. V. Giri's visit to Tanzania is dealt with under India, Tanzania and alphabet G.

The INDEX has been compiled on the Dictionary method and arranged alphabetically with certain form-headings under different countries. Such special form-headings (apart from the departmental form-headings, such as COMMERCE & INDUSTRY, POLITICS & GOVT., FOREIGN RELATIONS, etc.) are: ATOMIC ENERGY, COMMONWEALTH, COMMUNISM and SPORT.

The abbreviations for countries as well as the usual form-headings are given in the explanatory note on how to use the INDEX pasted on the inside of the back-cover of the binder under the heading INDEX EXPLAINED.
